

50 Ways to Please Your Lover

Music: Paul Simon ("50 Ways to Leave Your Lover")

Words: © Copyright 2000 Mike Slinn

The answer is there inside your heart
She said to me
Your love will guide you
If you listen carefully
I'd like to help you as you try to find the key
There must be fifty ways
To please your lover

Love is a flower that blooms with tender care
Attend it daily, it is wealth beyond compare
Give all yourself to it and joy you will have found
There must be fifty ways
To please your lover
Fifty ways to please your lover

Chorus (x2):

You listen with your heart, Art
Walk hand in hand, Stan
Help her dreams become real, Neil
Now listen to me.
Be her best friend, Ken
Just drop the pretensions
Close your eyes and see, Lee
Try and you'll agree

At last I've found what I'd been too blind to see
This love I cherish, I must handle carefully
To please my lover, I set myself to think
About the fifty ways

These words she told me as she put her hand in mine
She held me close then and did whisper in my ear
"I'm going to love you until the end of time"
She held me close & did then whisper in my ear
I will find fifty ways to please my lover
Fifty ways to please my lover

Chorus
