

Music in Montreal / 2023-03-09

Mike Slinn

Verse 1:

Music in Montreal, yeah

All through the city, we can hear the beat

We'll find rhythm, we'll find heat

On every corner, on every street

Chorus v1:

Music in Montreal, all through the city

All the time, we never sleep.

If we're not dancing, then we are singing.

Cause music in Montreal, it's really swingin',
oh yeah, yeah

Verse 2:

From jazz clubs to rock bars

Music flows like the Saint Lawrence

Street performers, they'll make you dance

With melodies that will entrance

Chorus v2:

Music in Montreal,

All through the city, all the time

We never sleep. If we're not dancing, then
we are singing, singing, swinging.

'Cause music in Montreal, is really swinging,
swinging, swinging.

Music in Montreal, yeah, all through the
city

We can hear the beat,

We'll find rhythm, we'll find heat

On every corner, on every street!
