Mike Slinn Apr. 7/1993

Solo on slow strum of verse 1

Second time verse 1 faster

Verse 1:

Dm Bb
I want to tell you unbidden
C F
Things I realized were hidden

Dm
In all of our lives we

Bb
Fantasize - what's

A7 Dm
Real is each magic moment

Dm Bb
The dark nights of despair loom over, yet

C F
Bad times do finally blow over

Dm
You'll cry a joyous breath and

Bb
Smile at gentleness

A7 Dm
And feel all right when you're older

Solo on (Dm G Dm C) x4

Bb
True feelings you show

F
Give healings you know

Bb A7
Oh, give me a longbow, and aim

Bb
If kneeling won't go

F
And dealing is so

Bb A7
Then feelings are excitement

Dm Bb
I want to tell you unbidden

C F
Things I realized were hidden

Dm
In all of our lives we

Bb
Fantasize - what's

A7 Dm
Real is this magic moment

Solo on (Dm G Dm C) x4

Bb
Inside your heart

F
Make a small mark

Bb A7
Measure yourself at low tide

Bb
When the moon is high

F
Don't you sigh

Bb A7
Dive down and be renewed.

Dm Bb
The dark nights of despair loom over, yet

C F
Bad times do finally blow over

Dm
You'll cry a joyous breath and

Bb
Smile at gentleness

(A7 Dm)
(And feel all right when you're older)x3

Solo on (Dm G Dm C) x4 to fade

Introduction

These are words to live by. I wrote this song at the lowest part of my life. These words have guided me through darkness ever since.
